

MAY 2022 | PRAYER POINTS

Egypt, a country which is only 5% Christian, has over 93 million souls that still need to be reached. The state religion of Egypt is Islam, and while people are technically free to practice Christianity if they desire, authorities often look the other way when mobs practice violence against Christians. Egyptians converting to Christianity face many legal brick walls, and are often wrongfully detained by the Egyptian government. Join us in praying over all of the Christians in Egypt, and ask God to protect the men and women who reach people across the nation with the message of Jesus.

EGYPT

The Lord Almighty will bless them, saying, "Blessed be Egypt my people, Assyria my handiwork, and Israel my inheritance."
ISAIAH 19:25
