Safaa and Mona Fahmi, Founders and bold leaders of Christian Arabic Services

The last statistical report I read stated that if we don't win a child to Jesus by age 9 there is only a 5% chance that they will ever accept Jesus. I would say that with the current insanity going on in our school system that this number has lowered substantially. This should motivate all of us to invest in children's ministry in our world.

Safaa sees this playing out in Egypt as well and has taken action. The Vacation Bible Schools have tens of thousands of children. Through these VBS', food distributions, and family ministries, churches are being established in homes throughout Egypt. Three billion people in the world live on less than \$3 per day, per family. That is the case with the poor in Egypt.

The 21st century American church has the same problem as the 1st century church in Jerusalem. We have been ordered into battle, then we went to bed. Our hometowns were saturated with the Gospel, but they/we were afraid to go. After Stephen's martyrdom, the church was scattered out of fear, but at least they scattered. Is it time to scatter your life, time, and money so those who are not in our hometowns get to choose Jesus?
